

**FEDERAL PRISON INDUSTRIES, INC.  
ANNUAL MANAGEMENT REPORT  
FISCAL YEAR 2009**

**OFFICE OF THE INSPECTOR GENERAL  
COMMENTARY AND SUMMARY**

This audit report contains the Annual Management Report of the Federal Prison Industries, Inc. (FPI) for the fiscal years (FY) ended September 30, 2009, and September 30, 2008. In accordance with the Government Corporation Control Act, as amended (31 U.S.C. §9105), and under the direction of the Office of the Inspector General (OIG), KPMG LLP performed the audit in accordance with U.S. generally accepted government auditing standards. The audit resulted in an unqualified opinion on the FY 2009 financial statements. An unqualified opinion means that the financial statements present fairly, in all material respects, the financial position and the results of the entity's operations in conformity with U.S. generally accepted accounting principles. For FY 2008, the FPI also received an unqualified opinion on its financial statements.

KPMG LLP also issued reports on internal control and on compliance and other matters. For FY 2009, the *Independent Auditors' Report on Internal Control over Financial Reporting* identified one significant deficiency. The significant deficiency related to vulnerabilities identified in the FPI's financial management. Specifically, improvements are needed in the FPI's inventory count controls. In the FY 2009 *Report on Compliance and Other Matters*, the auditors identified no instances of significant non-compliance with applicable laws and regulations.

The OIG reviewed KPMG LLP's reports and related documentation and made necessary inquiries of its representatives. Our review, as differentiated from an audit in accordance with U.S. generally accepted government auditing standards, was not intended to enable us to express, and we do not express, an opinion on the FPI's financial statements, conclusions about the effectiveness of internal control, conclusions on whether the FPI's financial management systems substantially complied with the Federal Financial Management Integrity Act of 1996, or conclusions on compliance with laws and regulations. KPMG LLP is responsible for the attached auditors' reports dated November 6, 2009, and the conclusions expressed in the reports. However, our review disclosed no instances where KPMG LLP did not comply, in all material respects, with U.S. generally accepted government auditing standards.
